Interests:

Geographic: Statewide Texas

Deadlines: Rolling

Purpose: The Anonymous Donors share a vision of people being healthy, educated and economically self-sufficient.

Grant Types: Advancing Innovation, Applied Research, Building Capacity, Capital or Technology, Direct Assistance, Endowments, General Operating, Improving Systems and Program.

Primary Areas:

Give a Fish:

Population served: people who live in poverty or are disadvantaged, unemployed, sick, or experiencing a crisis or emergency

This type of funding provides emergency shelter, assists with rent, utilities, transportation, clothing, household goods, medical equipment, school supplies or disaster relief; provides crisis counselling; provides caregiver respite; provides camping opportunities for children with special needs or medical issues.

Teach to Fish:

Population served: comprises of economically-disadvantaged children, youth and families.

This type of funding focuses on moving the population served towards self-sufficiency through education, human and social services. Priority areas of consideration include Academic Success, Access to Education, Earn a Living Wage, Use Community Supports, Be Safe and Stable, and Be Physically, Socially and Emotionally Healthy

Strengthen the Charitable Sector:

Population served: charitable organizations. Preference will be given to organizations supporting nonprofits making contributions to our Donors' priorities.

This type of funding contributes to the strength and effectiveness of an independent sector and fosters charitable organizations to improve sectoral effectiveness and encourage philanthropy.

Strengthen Communities:

Population served: Economically disadvantaged communities, individuals and families.

This type of funding helps lead individuals and families to economic self-sufficiency through the creation of lasting changes within their community. Engages citizen to build community capacity, educate the public and enhance community living.

Inform Knowledge, Practice & Policy:

Our Donors value effective practices and policies promoting health and individual empowerment so people can be economically self-sufficient. Organizations that inform health care and health care policy, enhance public knowledge, practice and policy, promote democracy and citizen engagement, support individual freedom, and offer free market solutions. These projects must have a connection to the investment framework priority areas listed above.

HRJ Consulting provides grants management services to the Anonymous Donors who have a vision of people in communities being healthy, educated and economically self-sufficient. The core of this work includes: understanding the needs within communities; investigating and analyzing grant applications; conducting thorough due diligence; recommending projects from high-performing organizations that best fit our Donors' priorities and are likely to deliver strong, measurable results. Our goal is to conduct a seamless and professional charitable giving program for our Donors across Western Canada and the Midwest United States.

Our Donors wish to conduct their charitable giving anonymously. As such, confidentiality with respect to the identity of our Donors and their charitable activity is a key value of our organization. We conduct our business discreetly while safeguarding the identity and anonymity of the Donors we represent.

Further information regarding the application process can be found on the website.
